2011 First Quarter Edition

The Annual District Meeting

The proceedings at Tonbridge [8, 19-1-0 in E] are surmised by District Secretary Tessa Worthington:

Approximately 40 people attended the afternoon and the belfry was full, with ringing for learners and the more advanced run by Tim Lynch and Mike Worthington. *Stedman Triples* was the service touch.

The Parish Church of Sts Peter and Paul, Tonbridge.

The service was taken by the local vicar, Mark Brown, with organist David Fulmer. Angela Clark and her team organised the usual excellent tea.

The meeting followed and apologies were received from Isabel Pearce and Hugo Tracey.

The meeting welcomed the following eight new members: Caroline Stockmann, Michael Stuttard and Rebecca Stuttard from Sevenoaks, Paul Britton from Shipbourne, Daniel Lincoln from Leigh, Alison Crawley and Hannah Crawley from Otford, and Turissa Eustace from Penshurst.

KCACR AGM in the Tonbridge District

(Easter) Monday 25th April 2011

At Speldhurst [8, 13-1-26 in F[#]]

The chairman's, treasurer's and 120 Club reports followed, and the district's biggest fund raisers – the Trivia night and 120 Club – helped push the district surplus to £4,383.

The meeting discussed a couple of proposed KCACR rule changes which will be decided at the

KCACR AGM, which will be held in our district in April 2011.

District officers and committee members were all re-elected en block, plus Phil Jones as an extra committee member, being the e-mail contact for the secretary.

N.B.: the chairman and secretary will both stand down at next year's ADM.

Eric Roughley and Frank Lewis were voted as the two new district reps on the General Committee and it was requested that they report back after KCACR general committee meetings.

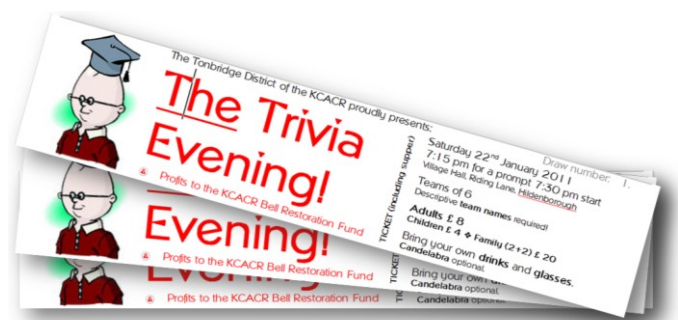

Other business included an invitation to Brian and Betty Jeffrey's memorial peal board dedication on 17th October at Edenbridge's Bellringers' Evensong. Jen Thomas thanked all for their support of Phoenix card sales. The meeting ended at 7:00 pm.

A 120 club draw was held after the meeting. This was a "double rollover" and prizes were drawn as follows: Chevening's Jane Neilson, Hadlow's Deborah Snelling and Leigh's Stella Wooldridge.

If you would like to add to your band's profile in your church, why not put a copy of the Look to on your bookstall?

Have you got yours yet...?

Why, nothing less than your tickets for The Trivia Evening!

The hilarity, the jocular, the candelabra! The Tonbridge District is proud to present The Trivia Evening, on Saturday 22nd January 2011. Many non-ringers, thinking of partners and spouses, have asked whether there are any questions on campanology. The answer is no, not one; so even bell-ringers can take part without fear of embarrassment! The time and place is Hildenborough Village Hall at 7:15 pm for a **prompt 7:30 pm** start. Tickets should be obtained

(and preferably paid for) before the day, from the District Secretary, Tessa Worthington.

The Charmborough Ring

Thinking of an event to attract the public?

- Recruiting drives
- Training courses
- Public demonstrations

The Charmborough Ring is available for hire by ringers who want to promote ringing among the wider public and attract new recruits. It always draws enthusiastic observers and participants.

Hire charge, including transport within 50 miles of London, from £190 for 1 day to £320 for 5 days. Full details at: www.charmborough.org

The Ringing World Anniversary

Peter Dale sends information about celebrations in 2011.

You may be aware that the 100th anniversary of the first ever issue of *The Ringing World* falls on Thursday 24th March 2011, and that we are holding a festival of ringing in London on Saturday 26th March 2011 to mark this occasion. Already planned for the day are open towers throughout London, a National Youth Striking competition, celebratory Evensong at Westminster Abbey and a gathering at Methodist Central Hall in Westminster. Further activities will be announced in due course.

Tonbridge District Carol Service

Bobbie Fairclough recounts the Tonbridge District's own seasonal festivities.

Sevenoak's Caroline Stockmann provided an additional musical flourish on the flute. Photo: Frank Lewis / website.

The District was pleased to visit Kilndown [6, 9-1-10 in A] for this year's Carol Service.

Probably because the remainder of the extraordinary snow was still around, there were fewer ringers than in recent years. However the organist, David Denton, most ably accompanied by Sevenoaks ringer, Caroline Stockmann on the flute, encouraged everyone to sing to their best.

And Rebecca Stockmann-Stuttard jumps (at very short notice) into the thick of Tonbridge District life, having only joined the association in October. Photo: Frank Lewis / website.

It was a pleasure to listen to the sermon from the Rector, Bill Hornsby, who genuinely knew of the fellowship that ringers enjoy. His daughter had learned to ring aged about twelve and has subsequently met and married another ringer.

The since customary mulled wine and mince pies were thankfully received. Photo: Frank Lewis / website.

After the service we enjoyed the excellent Lewis-style mulled wine and mince pies provided by many.

It really seemed that the occasion was the beginning of the Christmas celebrations.

Thank you to all who contributed to the occasion, particularly Mike Bullett for his organising.

Quarter Peal Week (and-a-bit)

The quarter peal week (23rd – 31st October 2010) is behind us, and Eric Roughley has prepared his annual write-up to show how well we all did.

This year's quarter peal week resulted in nineteen attempts, which was two more than last year, at fifteen towers, with only two being unsuccessful. One failed attempt, as last year, was at East Peckham [6, 14 cwt in F] where perhaps two quarters on the same day without additional lubrication (for the bells) was a trifle ambitious. The other loss was at Brasted [8, 9-2-2 in G^b] where notoriously tricky *Stedman Triples* came to grief. Four quarters were rung at Otford [6, 10-1-7 in A^b, GF] which is surely the quarter peal "factory" of the District.

A novel quarter was *Grandsire and Plain Bob Doubles* with a change of method at the end of each extent. None of the ringers claimed it as a "first" but I suspect it was for most of them. The out of District attempt was a very respectable quarter of *Grandsire Caters* at Staplehurst [10, 19-2-7 in E^b]; not bad for a District with only sixes and eights, oh, and one three!

The week produced seven firsts which included three first quarters and one first inside. Fifty-five ringers were involved with five being from outside the District, two of them from the USA. Seven ringers rang more than four quarters and there were nine conductors. The Ringing Master used her powers of delegation with her assistant calling three.

The footnotes covered remembrances, welcomes, marriages, thank yous, congratulations, and two birthdays, one declared and one not, but I am sure someone will provide the missing information.

Congratulations to the "firsts", especially the "first quarters" and first "inside". Thank you to all who took part and especially the conductors, without whom it would not take place.

Greetings cards, wrapping paper and sundry present paraphernalia can be obtained from Jen Thomas, with the added bonus that a minimum of 10 % of sales goes to the KCACR's BRF!

Training Days

There was to have been one training day in the last quarter, which was, despite great enthusiasm all-round, snowed off. Please instead enjoy a picture of the snow from the south side of the Eden Valley:

Catherine Lewis, Chairman of the Central Council of Church Bell Ringers' Education Committee, writes:

Central Council
Education Committee

“Teaching the Teachers” course

Would you like to join a day course aimed at learning teaching strategies for getting your band successfully raising and lowering in peal? There will be such a course, run by the CC Education Committee, in our area on Saturday 12th March 2011, 10:00 am to 4:30 pm. There will be plenty of practical work, including an opportunity to work on trebling if required. The course will be advertised in *The Ringing World* in due course and there will be limited spaces – so if you are interested please let me know asap.

There will also be a need for “guinea pigs” for the students on the course to practise their teaching skills on. These need to be people who can raise and lower a bell unaided, but want to learn to do it in peal. I would be very grateful if anyone interested in taking on this role (or those currently teaching potential people) would get in touch with me – again asap.

(It is more than likely that I shall also be asking round for helpers a bit nearer the time...)

Cowden and C² Tower Outing

Caroline Levy-Cooper set off over the Thames, to South Essex.

Given that this is already the roof of the tower, the photographer must have climbed the flag-pole!

In October the Cowden [6, 7-2-15 in A, GF] bellringers joined up with friends from Edenbridge [8, 14-0-7, F[#]], Hever [6, 9-0-25 in A^b], Lingfield [8, 16-2-0 in F[#]] and Caterham [8, 16-3-12 in A^b] for their annual outing. This time we ventured through the Dartford Tunnel and into Essex in search of the infamous Glass Tower in Basildon. We started off at our namesake, St. Mary Magdalene, in North Ockendon [6, 9-2-21 in G, GF, anti-clockwise] where the six bells are hung anti-clockwise. We found this quite confusing, but managed to plain hunt – albeit all looking in the wrong direction at the end! Our heads were now totally confused for our next ring – at St. Giles and All Saints in Orsett [6, 10-2-12 in A^b], where the bells are very loud and even call changes were a struggle because the calls could barely be heard.

Now we headed off to Basildon [8, 11-2-24 in G, detached tower]. Here, we had been warned that, due to the popularity of this tower for visiting ringers, we would be joined by a band of ringing magistrates! (It turned out that one of them was Alan Baldock – from Hailsham [8, 9-2-5 in G] – whom I am sure some of you will know). We did feel slightly nervous to be ringing with a rather expert band, but they were more than willing to help us out.

Lunch was at The Barge in Battlesbridge – a very picturesque pub close to the River Crouch. After lunch most of us took time to have a look around some of the antique shops just near the pub. Our first ring of the afternoon was the six bells at All Saints, Rettendon [6, 8-1-7 in A], and then our final tower – St. Nicholas in Canewdon [10 (+ old

5), 17-2-23 in E], supposedly the “most haunted church in England” although Brian Meldon, who met us said, that this was nonsense. The 10 bells here were only hung 18 months ago and are lovely – the best bells of the day by far. The interesting thing is that there are actually 15 bells hanging in the tower as the original five bells are still there, in their original oak frame, one level above the new ten.

We were extremely grateful to Brian who took us up the stone spiral staircase, first to see the new bells, then on up to see the ancient ring of five (which are connected to an Ellacombe apparatus) and finally up yet more steps leading out onto the roof of the tower from where one can see for miles and miles in all directions (see photo). What is more, Brian and his wife, Alison, provided tea and biscuits – a very welcome surprise.

Around the District

Way out...

If you ever get trapped by fire in a tower, then do it at Sundridge [6, 13-3-3 in F[#]]. Unlike Lamberhurst [6, 13-0-17 in F[#]] or Wonersh [8, 11-2-25 in G] in Surrey with exits onto the church roof, Sundridge have access to not just one, but two separate roofs. It has however transpired that the expense of restoring these accesses as emergency exits still requires an approximately 20 ft jump to complete the escape.

(The *Look to* now desperately hopes the district’s overriding norm of not being on fire holds out until at least the January meeting.)

Penshurst are going up in the world...

Plans currently displayed in St John-the-Baptist in Penshurst [8, 17-2-11 in E^b] indicate that the band will soon be going up in the world, to a new ringing gallery. This is not such a boon as it sounds, since the band went down in the world when the first ringing gallery was originally removed. However, its fixings still remain in place at the level of the bottom of the west window and the original doorway is still there, waiting to be un-blocked.

The *Look to* is of the opinion that (when the Penshurst band get tired of this ringing gallery) they should have their next one installed at the height of the present rope guide. And when that loses its novelty, the clock chamber still stands empty...
