An introduction to ten-bell ringing

Saturday 30th March

This training day will focus on Plain Hunt and Grandsire Caters and is for ringers aspiring to attend the recently-introduced Lewisham District 10-bell practices. Prospective students should be able to ring plain hunt confidently on 8 bells, and already have experience of ringing rounds and call-changes on 10.

We will be ringing at two ten-bell towers in the East End of London with a pub lunch in between

Course fee: £5 (to cover the cost of tower donations)
