KENT COUNTY ASSOCIATION OF CHANGE RINGERS
LEWISHAM DISTRICT NOTES

This news sheet is for YOU to keep up to date with what's happening in the district, so please read it (take one home if you like), and let Andy Young or Anne Martin know what you think of it. If you like it, a new issue will appear just before each quarterly meeting.

Do you want to try a new method ? Ring a quarter or a peal ? Need a lift to a meeting or practice ? Don't complain that nobody will give you a chance - pick up the telephone and ring Andy, Anne or any of the District Officers NOW. Their names, 'phone numbers and home towers are listed below.

Meetings and practices cater for all standards of ringers, from rounds upwards, so don't think they are arranged for the experts - the Association is for ALL the ringers in the district. The district practices, usually on the fourth Saturday of the month are now arranged so that the first hour (6-30 to 7-30) is specially for beginners, with a workshop to practise plain hunt or basic methods for those who need it, more advanced ringing being forbidden until the second half.
